

DATE	TIME	Rooms - 3rd Floor		Rooms - 2nd Floor			Room - 1st Floor
		Scirocco	Libeccio	Levante	Ponente	Aliseo	Bora
Sunday June 9th	19:00-21:00	Magazzini del Cotone Registration, Exhibition Opening and Welcome Cocktail					
Monday June 10th	08:30-08:40	Opening Remarks					
	08:40-09:30	Plenary Lecture (by AMPP)					
	09:30-10:20	Coffee Break					
	10:20-11:30	Energy Transition Keynote Lecture by Marc Wilms		Cathodic Protection Keynote Lecture	Coating & Linings Keynote Lecture by AMPP	Applied Research in Academia	CRA & Welding Keynote Lecture by Roger Francis
	11:30-12:30	Energy Transition Keynote Lecture by Srdjan Nestic		Cathodic Protection Onshore	Coating & Linings Standards & Qualification		CRA & Welding
	12:30-14:00	Lunch					
	14:00-15:40	Energy Transition Carbon Capture	Energy Transition Hydrogen Service	Cathodic Protection Offshore	Coating & Linings Renewables	Applied Research in Academia	CRA & Welding
	15:40-16:20	Coffee Break					
	16:20-18:00	Energy Transition Carbon Capture	Energy Transition Hydrogen Service	Cathodic Protection Management of Interference	Coating & Linings Application & Maintenance	Applied Research in Academia	CRA & Welding
	09:30-18:00	Exhibition Hall EXPO					
20:00	Villa dello Zerbino - Gala Dinner						
Tuesday June 11th	08:30-10:10	Energy Transition Carbon Capture	Energy Transition Hydrogen Service	Cathodic Protection Looking to the future	Coating & Linings Corrosion under insulation	Corrosion Inhibitors & Monitoring	CRA & Welding
	10:10-10:50	Coffee Break					
	10:50-12:30	Energy Transition Carbon Capture	Energy Transition Hydrogen / Sour Service	Cathodic Protection Commissioning & Monitoring	Coating & Linings Corrosion under insulation	Corrosion Inhibitors & Monitoring	Durability of Reinforced Concrete
	12:30-14:00	Lunch					
	14:00-15:40	Energy Transition Renewables	Energy Transition Sour Service	Failure Analysis	Microbiologically Influenced Corrosion	Automotive Industry	Durability of Reinforced Concrete
	15:40-16:20	Coffee Break					
	16:20-18:00	Energy Transition Renewables	Energy Transition Sour Service	Failure Analysis	Microbiologically Influenced Corrosion	Automotive Industry	Durability of Reinforced Concrete
	18:00-19:00	Closing Remarks and Farewell Cocktail					
	10:00-19:00	Exhibition Hall EXPO
